REQUESTING THAT THE PRESIDENT OF THE UNITED STATES, THE DEPARTMENT OF DEFENSE, THE SECRETARY OF THE NAVY AND THE MILITARY SEALIFT COMMAND EXERCISE ALL EFFORTS TO ASSURE AN INCREASE IN THE NUMBER OF NAVAL SHIPS ASSIGNED TO THE BAY AREA FOR OVERHAUL AND RETROFITTING AND, IN PARTICULAR, TO PRESERVE THE ABILITY OF LOCAL SHIPYARDS TO PERFORM ALL NECESSARY REPAIRS ON VESSELS HOME PORTED IN THE SAN FRANCISCO BAY AREA.

WHEREAS, The San Francisco Bay Area's commercial ship repair firms are facing the possibility of a major depression due to a series of U.S. Navy decisions to have its vessels repaired in ports and shipyards outside of Northern California; and

WHEREAS, These decisions apply not only to ships based in other parts of the nation but to vessels normally home ported in the Bay Area as well; and

WHEREAS: These decisions have already resulted in the lay off of 700 of the 2200 persons per day normally employed by the local ship repair industry with another 1,000 lay offs expected by April 1981; and

WHEREAS, Ship-repair workers represent one of San Francisco's last remaining blue collar industries; and

WHEREAS, The local ship repair facilities employ a high proportion of unskilled, semi-skilled and minority workers who would find it difficult to obtain jobs in other local indistries; and

WHEREAS, In addition to those directly employed at shipyards, the industry supports thousands of small metal-working, painting, engineering, hardware and other firms situated in a wide radius throughout the Bay Area; and

WHEREAS, The San Francisco Bay Area has excellent shipyard and drydocking facilities to justify the assignment of ships here fore repair; now, therefore, be it

RESOLVED, That this Board of Supervisors does hereby request the President of the United States, the Secretary of Defense, the Secretary of Navy and the Military Sealift Command to exercise all efforts to assure an increase in the number of naval ships assigned to the San Francisco Bay Area for overhaul and retrofitting; and be it

FURTHER RESOLVED, That this request conveys the request that, at a minimum, assignment of repairs for naval ships home-ported in the San Francisco Bay Area should be granted to San Francisco Bay Area ship repair facilities, and be it

FURTHER RESOLVED, That the San Francisco Board of Supervisors does hereby transmit this resolution to Her Honor, the Mayor, with the strong request that she transmit it to the President of the United States, the Secretary of Defense, the Secretary of Navy, Congressman John Burton, Congressman Phillip Burton, Senators S.I. WHEREAS, The Recreation and Park Department, acting in concert with its Open Space Committee, has selected Lots 10, 11, & 12 in Assessor's Block 3731, for acquisition by the City and County of San Francisco and that such acquisition is consistent with the Development and Maintenance of Open Space as provided by Proposition "J", passed by the electorate in the 1974 general election; and

WHEREAS, The Director of Property requests that the Finance Committee of the Board of Supervisors review the requested acquisitions, and if so moved, recommend to the Board of Supervisors that funds be made available for the acquisition of the subject property; and

WHEREAS, Section 1245.235 of the Code of Civil Procedure requires that a public hearing be held by the full Board of Supervisors sitting as a Committee of the Whole to make a finding that there is or is not a public interest and necessity for the City and County of San Francisco to acquire the subject property; now therefore, be it

RESOLVED, That it is the intention of this Board of Supervisors to hold a public hearing of the full Board of Supervisors sitting as a Committee of the Whole.

This public hearing is being set in such a manner that a minimum of thirty-five (35) days notice shall be given to each person whose name and address appears on the last equalized county assessment roll notice for the subject property.

Said public hearing is to be held in accordance with Section 1245.235 of the Code of Civil Procedure and notice is hereby given that on the 13th day of April, 1981, beginning at 2:00 p.m., the Board of Supervisors will hold such public hearing.

A do pass or not pass vote of the ~~attached~~ resolution captioned "AUTHORIZING ACQUISITION OF CERTAIN REAL PROPERTY IN EMINENT DOMAIN FOR THE OPEN SPACE PROGRAM" is to be made at the close of the public hearing; and, be it

FURTHER RESOLVED, That it is recommended that every interested party be given an opportunity at the public hearing to testify or submit material for the record to aid the Committee of the Whole in their findings of whether or not there is or is not a public interest and necessity in acquiring the subject property for the City and County of San Francisco; and, be it

FURTHER RESOLVED, That if there is a finding of public interest and necessity for the acquisition of the subject property, that the expenditure of funds from Appropriation No. 02-221 42-04-01 2010 70201 375899 be approved for the acquisition

3/6/81

FILE NO. 12-80-55 RESOLUTION NO. 154-81

MEMORIALIZING THE STATE LEGISLATURE TO AMEND THE CALIFORNIA ELECTIONS CODE TO PROVIDE PROCEDURES FOR AUTOMATIC PURGING FROM THE VOTER ROLLS OF ALL REGISTERED VOTERS WHO FAILED TO VOTE IN TWO CONSECUTIVE STATEWIDE ELECTIONS, AND TO REPEAL EXISTING PROVISIONS REQUIRING THE "RETURNED MAIL" PURGE.

WHEREAS, Division 1, Chapter 2 Article 5 (Sections 700 to 710) of the California Election Code contains provisions for the cancellation of voter registration affadavits for specified grounds; and

WHEREAS, Under said provisions names cannot be removed from the list of registered voters unless the person not only fails to vote, but the United States Post Office returns the Registrar's postcard or ballot pamphlet as undeliverable at the given address; and

WHEREAS, This return mail purge poses insurmountable problems for counties with highly transient populations where there are a large number of residential hotels and hotel-like apartments which render reliance on postal delivery and return of election materials unwise or uncertain at best; and

WHEREAS, Use of the aforementioned procedures has resulted in the retention of names on the voter rolls of thousands of persons who died, moved out of the county, or who have failed to vote in direct primary or statewide elections; and

WHEREAS, Carrying non-existent or ineligible voters on the rolls makes the system vulnerable to fraud; and

WHEREAS, Ineffective purging procedures also renders grossly inaccurate the count of registered voters in many counties, thereby leading to erroneous conclusions as to the percentage of voters voting in a general election; and

WHEREAS, An excess of invalid names on the Registrar's rolls is costly to local government and to candidates because of the cost of unnecessary mailings to such names; now, therefore, be it

RESOLVED, That this Board of Supervisors does hereby memorialize the California State Legislature to introduce and adopt legislation to amend the California Election Code so as to repeal those provisions now requiring the return of undelivered election material before a non-voting voter's name can be purged from the list of eligible voters, and replacing this system with a single uniform method of purging which requires the automatic removal from said rolls of the names of all voters who failed to vote in two consecutive statewide elections, namely, a statewide primary and general election, while also providing for the appropriate means of reinstatement of registration, noting necessary changes of addresses and/or appeals procedures; and be it

FURTHER RESOLVED, That the Clerk of the Board is hereby instructed to send a copy of this resolution to her Honor, the Mayor, with the request that she immediately transmit copies to our representatives in the California State Legislature and to the County Supervisors Association of California, urging them to take all steps necessary to implement its intent at the earliest possible date.

MEMORIALIZING THE SAN FRANCISCO BAY AREA RAPID TRANSIT DISTRICT ("BART") BOARD OF DIRECTORS TO ADOPT A $.50 CENT FARE FOR BART COUNTIES RESIDENTS TRAVELING BETWEEN SAN FRANCISCO AND DALY CITY BART STATIONS.

WHEREAS, All passengers riding San Francisco Bay Area Rapid Transit District ("BART") trains between Daly City and any station within San Francisco on a regular fare basis are charged $.90, which is $.40 more than the $.50 regular fare charged those traveling between all other San Francisco BART stations; and

WHEREAS, The $.90 cent fare to and from any station in San Francisco and Daly City is presumably based on the fact that the Daly City Station is physically situated in a non-BART county, and serves as a station for many residents of a non-BART county who pay little or no taxes either to San Francisco or to BART; and

WHEREAS, Elemental utility law seeks an equitable treatment of both resident and non-resident customers in the establishment of rates to assure that each receives identical service under identical conditions; and

WHEREAS, This standard is not being met with regards to the aforementioned $.90 fare, in that San Francisco, Alameda and Contra Costa residents riding BART between San Francisco and Daly City are paying more for this service than non-residents because, in addition to the more expensive fare, they are also required to pay higher taxes to meet the cost of supplying the service; and

WHEREAS, City Attorney Opinion, No. 80-69, dated November 14, 1980 concludes that due to this tax support provided by the resident user, a rational basis exists for the BART Board of Directors to adopt a fare which is lower for San Francisco residents than for non-residents of the BART District, now, therefore, be it

RESOLVED, That the San Francisco Board of Supervisors does hereby memorialize the BART Board of Directors to adopt a $.50 fare for San Francisco residents riding BART between San Francisco and Daly City irrespective of whatever rate may be charged non-resident users of the Daly City Station from San Francisco, Alameda, and Contra Costa Counties; and be it

WHEREAS, the United States Congress last year passed a law providing that three million dollars ($3,000,000.00) be appropriated in 1982 for the purchase of a collection of whaling artifacts and literature from Mrs. Barbara Johnson of Princeton, New Jersey; and,

WHEREAS, Mrs. Johnson's premiere collection of whaling artifacts and literature has been appraised by the Federal Government at the value of eight million to eleven million dollars ($8,000,000.00 - $11,000,000.00) and Mrs. Johnson is willing to sell the collection to the Federal Government for three million dollars ($3,000,000.00) for the San Francisco Maritime Museum, the only Federal National Maritime Museum in the country; and,

SUPPORTING SB82 PROVIDING COUNTIES WITH ADDITIONAL FUNDS FOR COUNTY JUSTICE SYSTEM FACILITIES CAPITAL PROJECTS

WHEREAS, The State of California does not currently provide assistance for construction or improvement of county justice facilities; and

WHEREAS, The current budget crises precludes counties from using their general fund monies for construction or improvement of such facilities; and

WHEREAS, Court and jail facilities are more expensive to construct than other buildings; and

WHEREAS, SB 1408, passed last year, took note of the above mentioned problems and authorized, upon adoption of a specified resolution of the board of supervisors, establishment of a surcharge on criminal fines in the County of Los Angeles or in the City and County of San Francisco and provided for the deposit of specified amounts into the Courthouse Temporary Construction Fund to be established in their county treasuries; and

WHEREAS, SB 82 now proposes to expand this authorization to apply to all counties statewide and to provide greater local discretion and flexibility regarding expenditure of the revenues generated so as to permit the money to be spent on any captial improvement, not just new construction and for any county justice facility, not just courtrooms; now, therefore, be it

RESOLVED, That the San Francisco Board of Supervisors does hereby offer support for the passage of SB 82; and be it

FURTHER RESOLVED, That the Clerk of the Board of Supervisors is hereby instructed to transmit a copy of this resolution to Her Honor the Mayor, with the request that she transmit it to the San Francisco delegation in the California State Senate and State Assembly and to the members of the Senate Judiciary Committee with the request that they take all steps necessary to effectuate its intent at the earliest possible date.
